# Discussion on EndSars Movement

Orlu Regional Assembly, USA (ORA USA) Youths stand with our young brothers and sisters in Nigeria who are peacefully protesting for an end to SARS. We applaud Nigeria youths for their strength and their perseverance in their fight for their human rights. Our hearts go out to all those who have lost a loved one in the violence. We call on other organizations to join us in condemning any acts of violence on fellow Nigerians who are peacefully demonstrating against a threat to their democracy.

Ijeoma Eze-Adenka  
ORA USA National Youth Director

A scenic photograph of a wooden bridge with railings, spanning a river in a lush, green forest. The bridge is made of light-colored wood and leads towards a distant, hazy landscape. The background features steep, rocky cliffs and dense foliage. A semi-transparent blue rectangular box is overlaid on the center of the image, containing the title text in yellow.

our parents dislike  
African Americans?

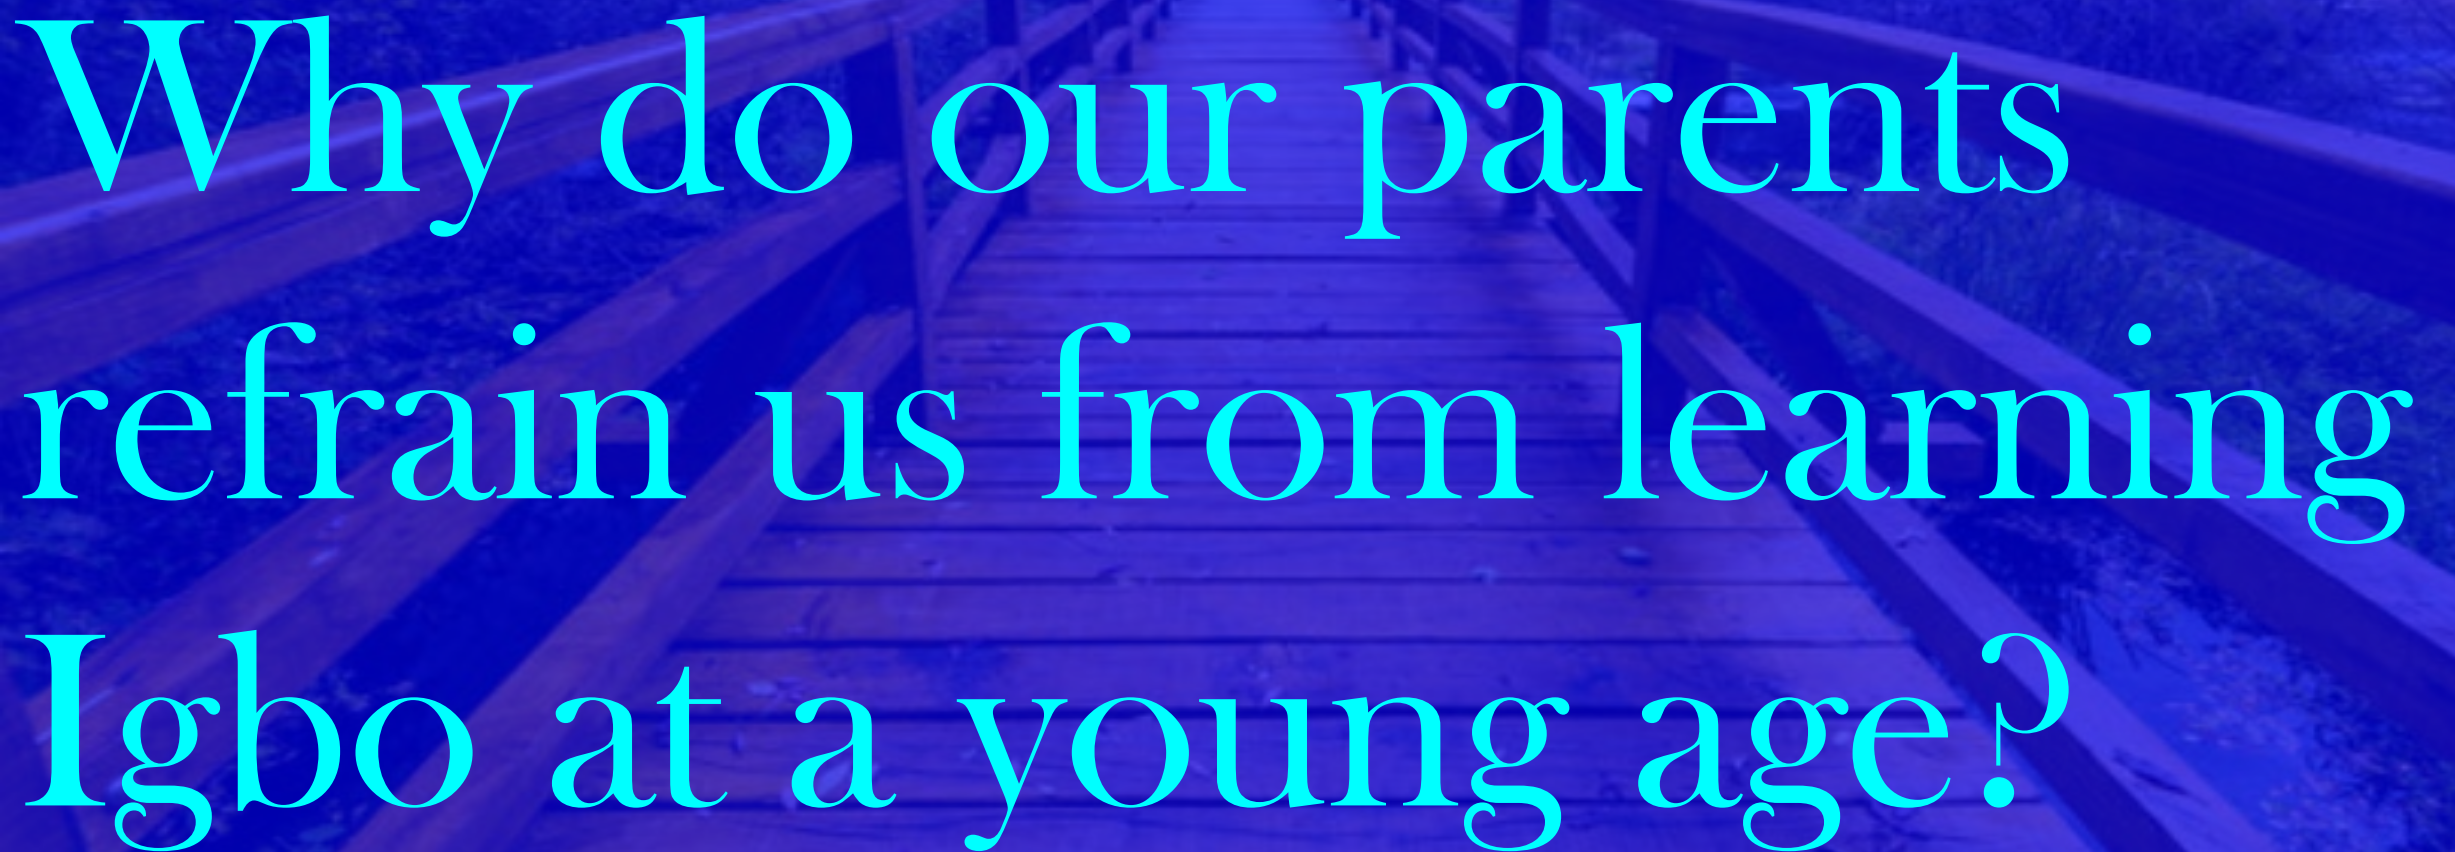

# Question to Youths

We joined family and cultural organizations as youths. As youths of today, what can you do to sustain family and cultural organizations such as this?

# Question to Parent

Why do our parents  
refrain us from learning  
Igbo at a young age?

## Question to Youths

Do youths really want to keep Igbo language and culture alive? If so, what are they doing to help it stay alive?
